

DFW PAC SHOW DATES

These are the show dates we have set as of now. If we book any additional performances, we will let you know as they are planned. Please mark your calendars NOW and plan on being at each of these performances; as if one student misses, it is a HUGE undertaking to adjust choreography, vocals, and band. Each student that wants to participate in the shows MUST audition for a spot. The year-end show is for ALL students and is mandatory.
